

SL-630301-BK

SNAPPY Rechargeable Mouse - Wireless, black

The wireless 6-button mouse combines precision with user-friendliness, equipped with an optical sensor and adjustable resolution of 1,000, 1,400 and 1,800 dpi for optimal control. It is rechargeable, with a 600mAh lithium-ion battery and comes with a USB-C to USB-A charging cable (1.2m length). Ergonomically shaped for long-lasting comfort, it features a compact nano USB receiver that can be stored in a practical compartment and offers a stable connection via 2.4GHz wireless technology up to a range of 10m. The intelligent power-saving mode and an on/off switch maximise battery life.
